

APEC EGEE&C 53 and EGNRET 52

Hong Kong, China

March, 2018

# APEC Energy Efficiency Policy Workshop

Hugh Marshall-Tate

Researcher

Asia Pacific Energy Research Centre (APERC)

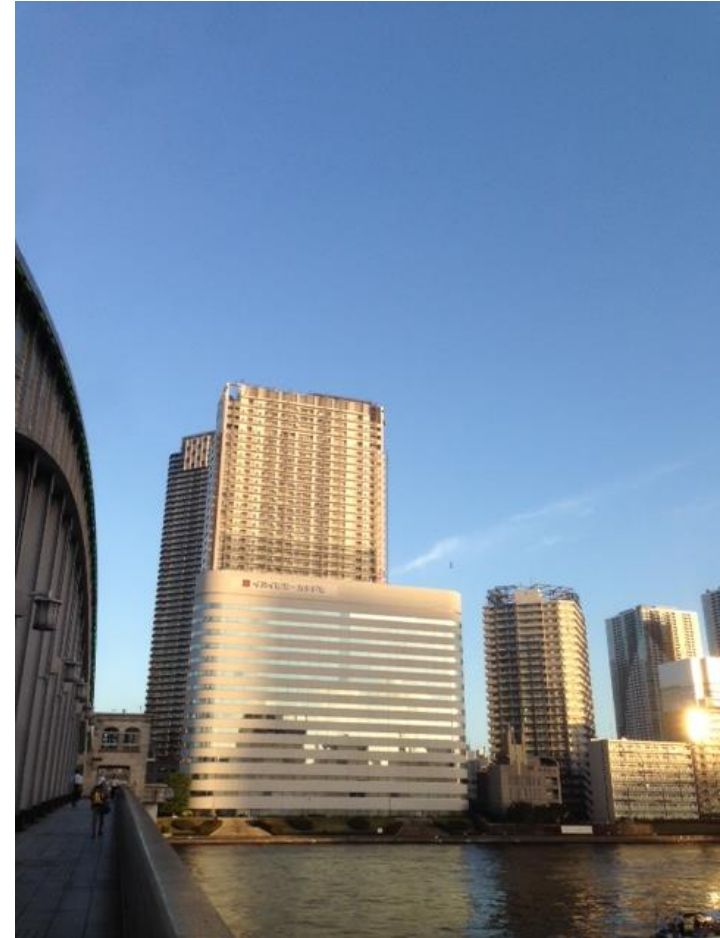

**Asia-Pacific  
Economic Cooperation**

APERC was established in Tokyo in 1996 after the Osaka APEC leaders meeting in 1995.

Primary objective is to foster a common understanding of energy challenges facing APEC member economies.

- Through analysis of the supply and demand outlook.
- The development of energy markets.
- Discussion of policy responses.

# Workshop Background

- Since 2009 with current format started in 2014
- Previous topics have included
  - Government and donor funding mechanisms
  - Policy and program evaluation
  - Conformity Assessment

## Transport fuel economy standards

- Testing protocols
- GHG emissions
- Vehicle fuel economy policy
- Policy drivers
- Policies in APEC economies
- Advanced Vehicles

# The Workshop facilitator

**< retyna >**

*A lens on renewable energy for transport*

**ELIZABETH YEAMAN**

**Managing Director, Retyna Ltd**

# Today's Agenda

<b>Session 1:</b>	<b>Context for vehicle fuel economy regulations</b>	
9:25 - 9:45	Transport contribution to GHG emissions in APEC	Alexey Kabalinskiy, APERC
9:45 - 10:30	Overview of the suite of policy measures to improve vehicle fuel economy	Elizabeth Yeaman, Retyna Ltd
<b>10:30 11:00</b>	<b>Tea and Coffee Break</b>	
<b>Session 2:</b>	<b>Vehicle fuel economy policies in APEC economies</b>	
11:00 - 11:30	Chile's proposed fuel economy standards: the process of developing new legislation and features of the standard	Luz Ubilla, Ministerio de Energía, Chile
11:30 - 12:10	Test protocols underpinning fuel economy regulations: the transition to Worldwide Harmonised Light Vehicle Test Procedure (WLTP) and its inclusion in CO2 policies	Andrew Campbell, Fuel Technology Ltd
12:10 - 12:30	Panel discussion with Session 1 and 2 speakers	Moderated by Retyna
<b>12:30 - 1:30</b>	<b>Lunch</b>	

# Today's Agenda

<b>Session 3:</b>	<b>Facilitating low emission vehicles in APEC economies</b>	
13:30 – 13:50	Wide scale promotion of low emission vehicles for HK – challenges and opportunities	Ir. Raymond CHOI, Hong Kong Power Company
13:50 – 14:20	Facilitating locally designed and manufactured electric vehicles in the Philippines	Andrew Campbell, Fuel Technology Ltd
14:20 – 14:45	Growth of electric vehicles in New Zealand	Elizabeth Yeaman, Retyna, New Zealand
14:45 – 15:15	Tea and Coffee Break	
<b>Session 4:</b>	<b>Facilitating EVs and other very low carbon vehicles</b>	
15:15 - 16:00	Breakout session	All Participants, facilitated by Retyna
16:00 - 16:20	Report Back	Facilitated by Andrew Campbell, Fuel Technology Ltd
16:20 – 16:30	Summary of the workshop, potential next steps and lessons learned	Elizabeth Yeaman, Retyna
