

APEC Project Update:

Workshop on Promoting the Development of an Evaluation Community (EWG-19-2016A)

Edward Vine (Project Overseer)
Lawrence Berkeley National Laboratory

49th Meeting of the APEC Expert Group on Energy
Efficiency & Conservation

Jeju, Republic of Korea

March 29, 2017

APEC Project on Evaluation

- Two-day workshop (October 30-31, 2017):
 - Brings together policy makers and evaluation practitioners to:
 - Highlight the value of program and policy evaluation
 - Discuss and exchange experiences, current strategies, policies, protocols and regulations for designing and implementing program and policy evaluations
 - Discuss the development of an Evaluation Community
 - ❖ To expand the benefits of the initial workshop and sustain it over time
 - Expert presentations on best practices and case studies; workshop sessions & discussion groups

Project Status (1)

- Contract signed with IEPPEC (International Energy Policy and Programme Evaluation Conference) to assist project & organize workshop (2017)
 - Charles Michaelis – lead consultant
- Organizing Committee created (2016)
 - Guides project and makes recommendations
 - Leads: Li Pengcheng, Martin Brown-Santirso, Michael Reid
- Workshop date and location selected
 - October 30-31, 2017 Bangkok
 - Nov. 1-2, 2017 Bangkok - IEPPEC Asia-Pacific Conference

Project Status (2)

- Evaluation survey started in February (2017), asking questions about:
 - Evaluation of energy efficiency policies and programmes for industrial buildings, lighting and appliances, building codes and transport
 - Other organizations involved in evaluation
 - Suggestions for promoting evaluation and improving capability of evaluators
 - Role of women in evaluation (involvement, barriers, strategies, and impacts)

Project Status (3)

- Evaluation survey (2017):
 - Sent to experts in APEC member economies, as well as EGEEC and EWG members
 - Information will be used in preparing a White Paper on evaluation in APEC region, focusing on developing countries in Asia
 - Information will be used in preparing Agenda for APEC Workshop in Bangkok

2017

- **March: APERC Evaluation Workshop**
- June: ACEF Evaluation Workshop (Manila)
- **October: APEC Evaluation Workshop (Bangkok)**
- November: 2017 IEPPEC Asia-Pacific (Bangkok)

IEPPEC

- International Energy Policy and Programme Evaluation Conference
- Every two years in Europe
- Sister conference in North America (IEPEC)
- First conference in Asia - Bangkok (Nov. 1-2, 2017)
- More info at: www.ieppec.org

IEPPEC Sponsors

- CLASP
- EGAT
- Independent Evaluation Office
- International Energy Agency
- IEPEC
- International Copper Association
- Korea Energy Agency
- Navigant
- Research Into Action
- South Pole Group

An Evaluation Community in Asia??

“The best way to predict the future is to invent it.”
