

EWG 61 Update

7 October 2021

The 57th Meeting of APEC Expert Group on Energy Efficiency & Conservation
(EGEEC 57)

EWG 61 Update

EWG Management

- EWG Terms of Reference (ToR) will be expired on 31 December 2021. EWG members were welcomed to provide inputs on the new EWG ToR.
- Steering Committee on Economic and Technical Cooperation (SCE) conducted Fora Assessment of EWG in June-August 2021.

Other Business

- EWG looked forward to the cross-fora collaboration with the Transportation Working Group (TPTWG) on topics of mutual interest.
- The revised Energy Security Initiative would continue to be coordinated with small groups. Interested economies were welcomed to volunteer to join small group meetings inter-sessionally.
- Thailand proposed the policy theme for EWG62 and EWG 63 is “Bio-Circular-Green Model: Energy Transition for Sustainable and Inclusive Growth”.
- Ms. Ariadne BenAissa from the US was endorsed as the EWG Lead Shepherd (2021-2022).
